THE PROPERTY

The Wild Vine is a working vineyard, boutique farm and event venue located 15 minutes North East of Wagga Wagga and is nestled between rolling green hills and the Murrumbidgee River.

The colonial style building has a quaint and charming exterior but inside boasts a large and unique event space. Despite the old world charm, the venue features modern amenities with air-conditioning and in-house sound system.

This eclectic building is complimented by the large outdoor areas, surrounded by trees and picturesque vineyard. The warm feel and character provides a distinct experience for your celebration.

YOUR HOSTS

Hi, welcome to the Wild Vine!

During our 45 years combined experience in the hospitality and events industry we have picked up a trick or two when it comes to running a smooth but epic event. Being on the other side, firstly as wedding vendors and then clients made us realise our dream to own a venue and make the journey of planning a wedding more enjoyable. We believe the secret ingredient is care and a genuine hospitable nature towards all of our guests. It brings us joy and it's our passion!

There is nothing that fills our cups more than a noisy room full of happy faces, relaxed clients, bar side banter, full bellies, a packed dance floor, banging tunes and the bubbles flowing. Is there anything better? If this sounds like your jam, let's chat.

Cheers!
